Standards of Behaviour: Junior Race Week is enjoyed by a wide age group of competitors. All competitors are expected to always show good standards of behaviour, both on and off the water, and to be respectful of other competitors and all other Club users. Older competitors are expected to be good role models for the sport and younger competitors.

Note that during Junior Race Week no alcohol will be served to any Junior Race Week competitor, including those who have turned 18.

Rule 10: COMPETITOR BEHAVIOUR

Competitors shall not be in possession of alcoholic spirits or drugs on Club premises during the event. Those found to be in breach of this rule will be disqualified immediately from all races of the event, will be denied access to the Club's premises, and anything found will be confiscated.

Competitors shall not light fires on the Club's premises.

The organisers reserve the right to disqualify immediately from the event any competitor who is in breach of this rule, and further action may be taken at the discretion of the General Committee.

I understand that I am responsible for my own behaviour whilst camping. I understand the expected Standards of Behaviour (Rule 10 of Notice of Race).
